*Bill of Exceptions.*

Be it remembered that at the trial of this case on the 30th day of October, 1903, before the Honorable Ivory G. Kimball, one of the judges of said court, the defendant by his counsel moved the court to quash the information for the following reasons, to wit:

First. That Section 2 of Art. II of the Police' Regulations is void for uncertainty.

Second. That said Section 2 of Art. II, is illegal and void together with Section 3 of said Art. II, in that it relies upon an unauthorized and illegal delegation of power.

Third. That Section 3 of said Art. II is illegal and void in that it is an unauthorized delegation of power.

And the court granted said motion. To which said ruling of the court the District of Columbia, by its counsel, excepted, which said exception was duly noted upon the minutes of the presiding judge, and gave notice then and there of its intention to apply to a Justice of the Court of Appeals of the District of Columbia for a writ of error.

Wherefore, the District of Columbia, by its counsel, presents this bill of exceptions to the court to settle and sign the same *nunc pro tunc* in accordance with the statute in such case made and provided and in accordance with the rules of the Court of Appeals of the District of Columbia, this 3d day of November, 1903.
